

Visualization Matching Game

RL No: 20 Reg. No: 192524059 Name: Lakshmi Sree T S

Each chart on the left (A-J) matches exactly one description on the right (1-10). Write the matching number next to each letter's blank.

A. 	1. Shows three variables at once using position and size
B. 	2. Shows the relationship between two continuous variables
C. 	3. Shows how parts contribute to a whole
D. 	4. Shows how a value changes over time
E. 	5. Compares amounts across separate categories
F. 	6. Shows magnitude across five categories using color intensity
G. 	7. Compares distributions across groups and highlights outliers
H. 	8. Shows how a cumulative total changes over time
I. 	9. Shows the distribution of a single continuous variable
J. 	10. Shows how parts contribute to a whole

Visualization Matching

DSA0601 - Data handling and visualization

Name: Lakshna Sree T S

Reg No: 192524059

Chart	Type	Description
A	Area chart	9 - shows how a cumulative total changes over time
B	Heatmap	6 - shows magnitude across two categories using color intensity
C	Scatter plot	2 - shows three variable at continuous relationship
D	Bubble chart	1 - shows three variables at once using position and size
E	pie chart	3 - shows how parts contribute to a whole
F	Line chart	4 - shows how a value change over time
G	Histogram	10 - shows the distribution of a single continuous variable
H	stacked bar chart	8 - shows part-to-whole comparison across categories
I	Bar chart	5 - compares amounts across separate categories
J	Box plot	7 - compares distributions across groups and highlights outliers
